The key changes include but are not limited to:

- Updated disclosure of fees and costs

Full details of the changes can be found in the PDS. As always, we recommend you read this document to understand the main benefits and risks of investing, along with other features of the Funds. Indirect investors should also consider the Target Market Determination (TMD) for a Fund before making an investment decision to consider whether a Fund is appropriate for them. TMDs in respect of the Funds are available at amp.com.au/investments-tmd.

Updated disclosure of fees and costs

While there have been no changes to the fee structure that applies, our estimates of certain fees and costs for the Funds have been updated following our latest review, to ensure they accurately reflect the costs of managing the Funds. Full details can be found in the PDS. As always, we recommend you read the PDS to understand the main benefits and risks of investing, along with other features of the Funds.

On behalf of the responsible entity of the Funds, ipac Asset Management Limited (ABN 22 003 257 225, AFSL 234655).

Important Notice: ipac Asset Management Limited (ABN 22 003 257 225, AFSL 234655) (IAML) is the responsible entity of the AMP Sector Index Funds ('the Funds') and is the issuer of the units in the Funds. To invest in the Funds, investors will need to obtain the current Product Disclosure Statement (PDS) or other offer document for the relevant Funds from National Mutual Funds Management Ltd (ABN 32 006 787 720, AFSL 234652) (NMFm). The PDS or offer document contains important information about investing in the Funds and it is important that investors read the PDS or offer document before making a decision about whether to acquire, or continue to hold or dispose of units in the Funds. A target market determination has been made in respect of the Funds and is available at amp.com.au/investments-tmd. Neither NMFm, IAML nor any other company in the AMP Group guarantees the repayment of capital or the performance of any product or any particular rate of return referred to in this document. Past performance is not a reliable indicator of future performance. Investors should consider reading the PDS for the Funds before making a decision regarding the Funds.
