Target market

Customer description

This describes customers in the target market

Objectives and needs

- a person who is a trustee of a regulated and compliant self-managed superannuation fund (SMSF) who may seek a low fee account for depositing funds which may be used to operate the SMSF, and to earn interest on those funds, that has the ability to receive funds and have funds drawn as required.

Financial situation

- a person who will have funds to perform the transactions using the account and to pay a dishonour fee as and when those amounts become due and payable.

Product description

This describes the product

A low fee SMSF transaction account with the following key attributes:

- the ability to use the product to deposit funds, to earn interest on those funds and to make transactions which can be to operate the SMSF,
- the requirement for the holder to be the trustee of a regulated and compliant SMSF, and
- no monthly account keeping fee (although a dishonour fee applies as set out in the terms and conditions).

Appropriateness statement

This explains that the product is consistent with the likely objectives, financial situation and needs of the target market

AMP Bank has considered that the product is appropriate for the target market on the basis that the key attributes of the product listed in this determination directly address the objectives, financial situation and needs of customers in the target market as described in this determination.

Distribution conditions

Retail product distribution conduct (other than general advice)

This condition applies to all conduct (other than general advice) such as issuing, arranging and providing disclosure material

Distribution conditions

Distribution methods	Suitability
Direct through AMP Bank approved communication channels (including website, phone, or email)	Suitable
Through financial adviser	Suitable
Through fixed income broker or other approved intermediary	Suitable
Through mortgage broker or mortgage manager	Not suitable
Through referral from approved comparison site provider	Suitable

Distribution method subject to the condition	Description of condition
Direct	Applications must be made via one of the following methods: – approved digital application form – approved smart form
Through financial adviser	Distribution must be via personal advice
Through fixed income broker or other approved intermediary	Application must be via one of the following methods: – approved smart form – other authorised method
Through referral from approved comparison site provider	Any link to an application form for the product must direct prospective customers to review the relevant AMP Bank product information page and include details of where to find the TMDs
All	Distribution must only be to the trustee of a regulated and compliant SMSE.

Why the distribution conditions and restrictions will make it more likely that the customers who acquire the product are in the target market

The distribution conditions will make it likely that customers who acquire the product are in the target market because all customers who acquire the product will have:

- warnings or questions about key attributes and key limitations of the product which are material to whether customers are in the target market, or
- personal advice.

General advice

This condition applies to general advice (including most marketing)

Distribution conditions

Distribution methods	Suitability
Approved advertising for trustees of SMSFs	Suitable
In person recommendations to access marketing material	Suitable
Other issuer approved communication channels (including telephone, email and social media)	Suitable

Why the distribution conditions and restrictions will make it more likely that the customers who acquire the product are in the target market

These conditions are appropriate as the target market is trustees of SMSFs.

Review triggers	AMP Bank, and any distributor of this product, must cease retail product distribution conduct in respect of this product when AMP Bank determines a material event or circumstance has occurred in relation to: – a change in law which materially affects the product design or distribution – a material change to the product that is likely to result in the determination no longer being appropriate for the target market – evidence, as determined by the issuer, of the performance of the product, in practice, that may suggest that the product is not appropriate for the target market – material complaints (in number or significance) in relation to the terms of this product and/or the distribution conduct – reporting from distributors, or consistent feedback from distributors on the target market which suggests that the determination may no longer be appropriate – a material pattern of dealings in the product or of distributor conduct that is not consistent with the determination – a notification from ASIC requiring immediate cessation of product distribution or particular conduct in relation to the product
Review periods	The first review, and each ongoing review, must be completed within each consecutive two year period from the Start date.
